Review of Operations

Financial Highlights

We are pleased to report that the Gross Revenue for the nine months ended March 2022 was higher by 24% to Rs. 3,669 Million as compared to Rs. 2,956 Million of the last year, despite various cost push factors of higher inflation, US \$ / Pak rupees parity, rising overall debts and increase in tariffs and taxes, increase in international crude oil and gas prices and further spike in the international sea freight rates, Modaraba managed to maintain its growth trend. Accordingly, the net profits before tax for the cumulative period closed at Rs 672 Million as compared to Rs. 276 Million of the last year, increase of Rs 395 Million. After accounting for the Income Taxes, the profit after tax stood at Rs 411 Million.

Modaraba continued to maintain its track record of growth in Sales. Rental Power segment continues to maintain our lead segment in terms of Sales and profitability. All segments of Rental Power performed according to the benchmark and targets set for the period. The increase in sales is denoted by overall good deployment of our smaller units and maintaining our rental contracts for Megawatt segment. Sales in the Power Generation segment improved by 44% during the nine month period compared to corresponding period last year due to higher deployment of units and maintaining our rental contracts for Megawatt Diesel segment; Gas genset segment also showed improvement in deployment and resulting in higher revenues, however the segment will continue to remain a challenge due to availability of gas and its pricing challenges to captive power units.

Sales from our Inbound and Outbound Logistics segment almost remained constant and as per budgeted levels and closed at Rs.1,259 Million as compared to Rs. 1,264 Millions of the corresponding period last year. Our customer base for this segment mainly comprises of blue-chip companies in the FMCG sector, including Nestle, Engro, Dalda, Schlumberger, Pakistan Tobacco Company, etc. However, the business is full of challenges due to competitive pricing from unorganized sector, non-implementation of Axel Load Compliance regime resulting in the menace of Overloading and availability of skilled and reliable manpower.

Sales from our Machines and Cranes segment improved significantly by 28%. Infrastructure construction and CPEC projects are now are now back on track with both Government commitment and financial closures and available funding. We are presently working on major project sites at Bhasha and Mohmand Dam, Thar Coal, Jamshoro Power Plant and Mityari Lahore Transmission Line.

Rs. in '000

The operating expense for the period increased 5.3% to Rs. 2,256 Million for the period as compared to Rs. 2,141 million of the corresponding period last year. As compared to corresponding period last year Salaries and Wages increased by 16% due to overall increase in the deployment of Ijarah assets and increase in minimum wage by the government. Depreciation for the period dropped by Rs. 66 Million compared to corresponding period as assets reached their residual values and due to lower investment levels in recent years.

Administrative and distribution expenses decreased by 10% to Rs. 220 Million (2021: Rs. 200 Million) primarily due to increase in legal and professional expenses and vehicle running cost. Markup costs went down by Rs.27 Million in the current nine month period, due to repayment of lease liabilities.

The Management will remain cautious and prudent for its investment strategy on all segments of the business, keeping in mind the opportunities of CPEC projects. The Management is positive of the rental industry potential, CPEC development and tremendous opportunities it has to date generated for the Modaraba. We always strive to keep special emphasis on customer satisfaction, also ensuring in the process that we always follow the Islamic Shariah principles in all our business transactions.

We always strive to keep special emphasis on customer satisfaction, also ensuring in the process that we always follow the Islamic Shariah principles in all our business transactions.

Restructuring of the Modaraba

Pursuant to Finance Act, 2021, tax exemption on Modarabas has been withdrawn, effective from July 1, 2021. Consequent to this withdrawal, the Board of Directors of the Modaraba Management Company in their meeting held on September 7, 2021 has discussed and approved a plan to restructure the current legal structure of the Modaraba and transfer the entire existing business of the Modaraba, on a going concern basis, along with all its assets and liabilities, including all contingent liabilities into two separate legal entities. Draft Scheme of Restructuring was approved by the Board of Directors on April 14, 2022 and duly submitted for approval to Registrar Modarabas, SECP, Competition Commission of Pakistan and relevant CRO of the associated companies. Subject to the approval of the Restructuring Scheme by regulatory bodies the same will be shared for the approval of Sindh High Court, Board of Directors of associated companies, ARM Certificate Holders, relevant company shareholders and the other relevant authorities as per the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, the Companies Act, 2017 and the other laws for the time being in force.

Following has been proposed:

Allied Transport & Logistics (Private) Limited (a related party)

The existing logistics business of the Modaraba will be transferred to a newly formed entity - Allied Transport & Logistics (Private) Limited (a related party), along with all its existing assets, staff and liabilities.

Allied Engineering Management Company (Private) Limited

Whereas other or remaining business segments of the Modaraba along with its assets, staff and liabilities, including all the contingent liabilities, will be transferred to the Allied Engineering Management Company (Private) Limited (the existing Management Company of the Modaraba). The license of the Modaraba Management Company is proposed to be surrendered to the Registrar Modarabas and the SECP after the completion of the aforementioned restructuring and later Modaraba Management Company will be converted into an ordinary Private Limited Company.

The said transfers are expected to be at the carrying values of the assets and liabilities of the Modaraba as per the latest audited financial statements.

Going Concern Assumption of the Modaraba - Consequent to the above proposed resolution by the Board of Directors of the Modaraba Management Company, the Modaraba is no longer considered to be a going concern as the business of the Modaraba will in its entirety be transferred to two separate entities. The management intends to carry out transfer of assets and liabilities at the carrying values of assets and liabilities appearing in the books of Modaraba at the date of transfer subject to the approval of the relevant authorities.

We would like to highlight that no adjustments have been made in the carrying value of assets and liabilities held by the Modaraba and the classifications of balances between long-term and short-term have not been adjusted as the transaction is at the preliminary stage, subject to the final approval of High Court of Sindh and the businesses and balances will be transferred on going concern basis at the carrying values.

Further, since more than 90 percent of the certificates are held by the associates and the group companies by virtue of which this transaction will be considered as a transaction under common control and will be accounted for as predecessor accounting in accordance with the requirements of "Accounting for Common Control Transactions" standard (which specifies the accounting for common control transactions) issued by the Securities and Exchange Commission of Pakistan (SECP). The management believes that in cases where there is insignificant non-controlling interest, the receiving entity will be carrying out predecessor accounting whereby assets and liabilities appearing in the books of Modaraba will be transferred at the same values on the date of transfer. Therefore, there is no potential impact that requires adjustment to the carrying values and classification of assets and liabilities currently being carried in the books of the Modaraba as at the reporting date as a result of Modaraba no longer being a going concern.

Acknowledgement

The Board wishes to place on record its sincere gratitude to the Registrar Modarabas and his support staff at SECP, Religious Board, financial institutions, our customers and our vendors and business partners for their continued support and guidance.

On Behalf of the Board

مضاربہ کے بارے میں تشویش کامفروضہ

مضار بہ پنجنٹ کمپنی کے بورڈ آف ڈائیر یکٹرز کی جانب سے مذکورہ تجویز کردہ قرار داد کے نتیج میں ،مضار بہ کومزید تشویش کا باعث نہیں سمجھا جائیگا کیونکہ مضار بہ کا کاروبار مکمل طور پر دہ الگ اداروں میں منتقل ہوجائیگا۔اداروں انتظامیہ متعلقہ حکام کی منظوری سے مشروط منتقلی کی تاریخ پرمضار بہ کی کتابوں میں ظاہر ہونے والے اثاثوں اور واجبات کی قیمتوں کی قیمتوں کے مطابق اثاثوں اور واجبات کی منتقلی کا ارادہ رکھتی ہے۔

ہم اس بات کواجا گر کرنا چاہتے ہیں کہ مضار بہ کے پاس موجودا ثاثوں اور واجبات کی کیرنگ ویلیومیں کوئی ایڈجسٹمنٹ نہیں کی گئی ہے اور طویل مدتی اور مختصر مدت کے درمیان بیلنس کی درجہ بندی کوایڈ جسٹ نہیں کیا گیا ہے کیونکہ لین دین ابتدائی مرحلے پر ہے، سندھ ہائی کورٹ کے حتمی منظوری تک اور کاروبار اور بیلنس کو کیرنگ ویلیوز پرتشویش کی بنیاد پر نشقل کیا جائیگا۔

مزید برآں، چونکہ 90 فیصد سے زیادہ سرٹیفکیٹس ایسوی ایٹس اور گروپ کمپنیوں کے پاس ہیں جس کی وجہ سے اس لین دین کومشتر کہ کنٹرول میں ایک لین دین کے طور پر حساب کیا جائےگا اورا کاؤنٹنگ کے تقاضوں کے مطابق بیشروا کاؤنٹنگ کے طور پر حساب کیا جائےگا ۔ سکیو ریٹرز اینڈ کلیسے کے کمپیشن آف پاکستان (SECP) کی طرف سے جاری کردہ کامن کنٹرول ٹرانز یکشنز کے لیئے معیار (جومشتر کہ کنٹرول ٹرانز یکشنز کے لیئے اکاؤنٹنگ کی وضاحت کرتا ہے)۔ انتظامیہ کا خیال ہے کہ ایسے معمالات میں جہاں کنٹرول کرنے والی ولچیسی معمولی ہے، وصول کرنے والدا دارہ پیشروحساب کتاب کرے گا جس کے تحت مضاربہ کی کتابوں میں ظاہر ہونے والے اثاثے اور واجبات کو نتظی کی تاریخ پر انہی اقدار پنتقل کیا جائےگا۔ اس لیے، ایسا کوئی مکمذار ترمیس ہے جس کے لیئے مظاربہ کی کتابوں میں اس وقت لے جانے والے اثاثوں اور واجبات کی درجہ بندی کے لیے ایک کی ضرورت ہوجیسا کہ رہور نگر کی تاریخ میں مضاربہ کے نتیجے میں اب کوئی تشویش نہیں ہے۔

Notes to the Condensed Interim Financial Information (Unaudited)

For the nine months period ended March 31, 2022

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Allied Rental Modaraba was formed under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and the Rules framed thereunder and is managed by Allied Engineering Management Company (Private) Limited (the 'Modaraba Management Company'), which is a wholly owned subsidiary of Allied Engineering and Services (Private) Limited. The Modaraba Management Company is incorporated in Pakistan under the repealed Companies Ordinance, 1984 (now the Companies Act, 2017) and is registered with the Registrar of Modaraba Companies and Modarabas under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980.

The Securities and Exchange Commission of Pakistan (the 'SECP'), vide its certificate No. SC/M/RW/ ARM/2006-166 dated May 10, 2006, authorized Allied Engineering Management Company (Private) Limited to float Allied Rental Modaraba (the Modaraba). The Modaraba commenced its operations on January 10, 2007.

The Modaraba is a perpetual Modaraba and is primarily engaged in rental / ijarah and operation and maintenance of Caterpillar and other equipments (i.e. generators, forklifts, compactors, etc.). The registered office of the Modaraba is located at 21/3, Sector 22, Korangi Industrial Area, Karachi. The Modaraba is listed on the Pakistan Stock Exchange Limited. The Modaraba is a non-financial Modaraba as it is primarily engaged in rental / ijarah and operations and maintenance of Caterpillar and other equipments.

1.2 Pursuant to the Finance Act, 2021, the tax exemption on Modarabas has been withdrawn, effective from July 1, 2021. Consequent to this withdrawal, the Board of Directors of the Modaraba Management Company in their meeting held on September 7, 2021 have discussed and approved a plan to restructure the current legal structure of the Modaraba and transfer the entire existing business of the Modaraba, on a going concern basis, along with all its assets and liabilities, including all contingent liabilities, to two separate legal entities. A draft scheme of restructuring has already been finalised which will be submitted for the approval to the Registrar Modarabas, the SECP, the Sindh High Court, the Certificate Holders and the other relevant authorities as per the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, the Companies Act, 2017 and the other laws for the time being in force during the year ending June 30, 2022.

It has been proposed that the existing logistics business of the Modaraba will be transferred to a newly incorporated entity - Allied Transport & Logistics (Private) Limited (a related party), along with all its existing assets, staff, liabilities and contingent liabilities. Whereas the other or remaining business segments of the Modaraba along with their assets, staff and liabilities, including all the contingent liabilities, will be transferred to the Allied Engineering Management Company (Private) Limited (the existing Management Company of the Modaraba). The management intends to carry out the transfer of assets and liabilities (including contingent liabilities) at the carrying values of assets and liabilities appearing in the books of the Modaraba as per the latest audited financial statements at the date of transfer subject to the approval of the relevant authorities. No adjustments have been made in the carrying value of assets and liabilities held by the Modaraba. The classifications of balances between long-term and short-term have not been adjusted as the transaction is at the preliminary stage, subject to the final approval of the High Court of Sindh and the businesses and balances will be transferred on going concern basis at their respective carrying values.

The licence of the Modaraba Management Company is proposed to be surrendered to the Registrar Modarabas and the SECP after the completion of the aforementioned restructuring. Later, the Modaraba Management Company will be converted into an ordinary Private Limited Company.

More than 90 percent of the certificates are held by the associated and the group companies by virtue of which this transaction will be considered as a transaction under common control and will be accounted for as predecessor method of accounting in accordance with the requirements of 'Accounting for Common Control Transactions' standard (which specifies the accounting for common control transactions) issued by SECP. Currently, there is no potential impact that requires adjustment to the carrying values and classification of assets and liabilities in the books of the Modaraba as at the reporting date.

1.3 The Modaraba had reported a profit of Rs 532.127 million for the year ended June 30, 2021 and distributed 90 percent of its accounting profit amounting to Rs 330 million (Rs 1.50 per certificate). In accordance with the requirements of IAS 10 this distribution has been accounted for during the current period. As a result of the restatement of the prior period figures / balances (as more fully explained in note 5 to these condensed interim financial statements), the profit after taxation for the year ended June 30, 2021 amounting to Rs 532.127 million has now resulted into a loss of Rs. 248.672 million.

As per the requirements of clause 18(3) of the Modaraba Companies Ordinance and Modaraba Rules, 1981, "no distribution shall be made otherwise than out of profits of the year or any other undistributed profits or realised capital gains".

The aforementioned distribution by the Modaraba after incorporating the effect of deferred tax has resulted in excess distribution whereby the unappropriated profits have now resulted into accumulated losses.

2 BASIS OF PREPARATION

2.1 Statement of compliance

The condensed interim financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting which comprise of:

- International Accounting Standard (IAS) 34, interim financial reporting issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

Wherever the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981, Islamic Financial Accounting Standards (IFASs), the Companies Act, 2017 and provisions of and directives issued by the Securities and Exchange Commission of Pakistan (SECP), under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and the Companies Act, 2017 differ from IAS 34, the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981, IFAS, the Companies Act, 2017 and provisions of and directives issued by the Securities and Exchange Commission of Pakistan (SECP), under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and the Companies Act, 2017 have been followed.

These condensed interim financial statements does not include all the disclosures and statements required for a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Modaraba for the year ended June 30, 2021.
- 2.3 The comparative statement of financial position presented in these condensed interim financial statements has been extracted from the annual published audited financial statements of the Modaraba for the year ended June 30, 2021, whereas the comparative statement of profit or loss, statement of profit or loss and comprehensive income, statement of changes in equity and cash flow statement have been extracted from the unaudited condensed interim financial statements for the period ended December 31, 2020. These comparative have been adjusted for restatement of certain balances as disclosed in note 5 to the condensed interim financial statements.
- 2.4 These condensed interim financial statements are unaudited. However, a review has been performed by the statutory auditors in accordance with the requirements of the Code of Corporate Governance.

2.5 These condensed interim financial statements are presented in Pakistani Rupees which is also the Modaraba's functional and presentation currency and all the figures presented in these condensed interim financial statements presented have been rounded off to the nearest Rupee, unless otherwise stated.

2.6 Basis of measurement

These condensed interim financial statements have been prepared on the basis of historical cost convention.

3 SIGNIFICANT POLICIES, ESTIMATES, ASSUMPTIONS AND CHANGES THEREIN

- 3.1 The accounting policies adopted and the methods of computation of balances used in the preparation of these condensed interim financial statements are the same as those that were applied in the preparation of the annual published audited financial statements of the Modaraba for the year ended June 30, 2021.
- 3.2 The preparation of these condensed interim financial statements in conformity with the approved accounting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgments in application of the Modaraba's accounting policies. The estimates, judgments and associated assumptions are based on the management's experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both the current and future periods.
- 3.3 The significant judgments, estimates and assumptions made in applying the Modaraba's accounting polices and the factors used in making those estimates and associated assumptions were the same as those that were applied to the annual published audited financial statements for the year ended June 30, 2021 except for the change in accounting estimate as disclosed in notes 10.2.1 and note 11.1.1 to these condensed interim financial statements. Certain restatements have also been made in these condensed interim financial statements which have been disclosed in note 5.

3.4 Standards, interpretations of and amendments to published approved accounting standards that are effective in the current period

There are certain amendments to the published approved accounting standards that are mandatory for the Modaraba's accounting period beginning on July 1, 2021. However, these do not have any significant impact on the Modaraba's operations and, therefore, have not been detailed in these condensed interim financial statements.

3.5 Standards, interpretations and amendments to published approved accounting standards that are not yet effective

There are certain other new and amended standards, interpretations and amendments that are mandatory for the Modaraba's accounting periods beginning on or after July 1, 2022 but are considered not to be relevant or will not have any significant effect on the Modaraba's operations and are, therefore, not detailed in these condensed interim financial statements.

4 FINANCIAL RISK MANAGEMENT POLICIES

The financial risk management objectives and policies adopted by the Modaraba are consistent with those disclosed in the annual published audited financial statements of the Modaraba for the year ended June 30, 2021.

5 RESTATEMENT OF PRIOR YEAR BALANCES

5.1.1 The effects of above stated errors are as follows:

5.1 Deferred tax liability

Pursuant to the Finance Act, 2021, tax exemption of the Modaraba has been withdrawn effective from July 1, 2021. Consequently, the income of the Modaraba has become chargeable to tax with effect from July 1, 2021. International Accounting Standard 12, "Income taxes" requires recognition of deferred tax as a result of change in tax law in the profit and loss except where it relates to items previously recognised outside the profit and loss. The relevant tax law as a result of which tax exemption has been withdrawn was enacted before June 30, 2021. In accordance with the requirements of IAS 12 "Income taxes", the deferred tax asset / liability on ijarah assets, fixed assets in own use, ijarah rentals receivable, operation and maintenance income receivable, deferred liability for staff gratuity, liability against right-of-use assets and payable to Worker's Welfare Fund was not recognised by the Modaraba in its financial statements as at June 30, 2021. The Modaraba has now recognised the amount of deferred tax liability by restating the prior period balances. The change has been accounted for in accordance with the requirements of IAS 8 "Accounting policies, Changes in Accounting Estimates and Errors" and the effects are given below:

9. CONTINGENCIES AND COMMITMENTS

9.1 Contingencies

Contingencies outstanding as at 31 March 2022 are as follows:

9.1.1 Sindh Sales Tax on operations and maintenance services of the Modaraba

During the year ended June 30, 2014, the Assistant Commissioner - Sindh Revenue Board (SRB) issued an order no. 160 of 2013 dated July 12, 2013 demanding sindh sales tax of Rs. 25.633 million at 16% on total operation and maintenance income amounting to Rs 160.204 million of the Modaraba for the year ended June 30, 2014.

Considering the nature of operation and maintenance services, their geographical limitations and method of computation relating to levy of provincial sales tax on services as envisaged in the Sindh Sales Tax on Services Act 2011, the Modaraba filed an appeal with the Commissioner Appeals - (SRB). Simultaneously, the Modaraba also filed a Constitutional petition in the Honourable High Court of Sindh relating to the levy of Sindh Sales Tax by virtue of which the Honourable High Court of Sindh stayed the demand of Sindh Sales Tax vide its order dated October 11, 2013. Subsequently, the Honourable High Court of Sindh issued a judgment dated January 27, 2014 directing SRB not to take any coercive action against the Company till the decision has been reached in appeal pending before the Commissioner (Appeals) - (SRB).

The Commissioner (Appeals) - (SRB) vide an order in appeal number 16/2014 dated February 25, 2014 reduced the demand of Sindh Sales Tax from Rs. 25.633 million to Rs. 12.238 million stating that the differential amount of Rs. 13.395 million pertains to the services rendered outside the province of Sindh. The Modaraba had filed a Constitutional Petition CP No. D-1190 in the Honourable High Court of Sindh against the order of the Commissioner (Appeals) - Sindh Revenue Board (SRB) by virtue of which the Honourable High Court of Sindh vide its order dated March 11, 2014 had suspended the operation of the impugned order of the Commissioner (Appeals) - SRB. Subsequently, the Sindh Revenue Board Tribunal was constituted and became functional in June 2015. The Modaraba, on the direction of the Honourable High Court of Sindh, filed an appeal to the tribunal.

The Tribunal disposed of the appeal in favour of Modaraba. However, the Commissioner has demanded the said tax dues along with default surcharge. The Modaraba has filed an appeal with the Commissioner (Appeals) along with applications for stay of demand which remains undisposed, therefore, the Modaraba filed a petition dated May 15, 2018 in the Honourable High Court of Sindh for the stay of demand and the Court granted a stay order till the next date of hearing.

The Commissioner (Appeals) issued an order dated April 23, 2019 against the Modaraba and directed the tax officer to work out the sales tax liability on the 'equipment rental agreements' along with the default surcharge considering them taxable under tariff heading "Commodity or equipment leasing" by also setting aside tax officer's grounds to charge tax under the category of "Contractual execution of work or furnishing supplies".

The Modaraba and the Assistant commissioner had filed appeals against the said order in ATIR. ATIR issued an Order No. AT 56/2019 dated November 13, 2019 setting aside both the orders in original no. 457/2018 and order in appeal no. 89/2019 and held that the services of "operation and maintenance" neither fell within the ambit of tariff heading "Contractual execution of work or furnishing supplies' nor "Commodity or equipment leasing". Both the appeals were allowed and the case was remanded back to the assessing officer to hear the parties afresh. The Tribunal required the assessing officer to first determine the actual nature of services provided or rendered by the taxpayer and then to invoke proper tariff heading under which such services falls for the purpose of taxing the services provided or rendered by the taxpayer and consider available exemption notifications and allow the benefits of the same to the taxpayer, if applicable. The officer, through the letter dated December 24, 2019, had initiated the remand back proceedings.

During the year ended June 30, 2020, an Order-in-Original No. 34 of 2020 dated February 27, 2020 was passed on an ex-parte basis whilst finalizing the matter remanded back by the ATIR in its Order dated November 13, 2019. In the said order, the Officer changed the earlier stance and now concluded that 'Operating and Maintenance' services provided by the Company are taxable under "Others, including the services provided or rendered by non-banking, finance companies, modaraba and musharaka companies and other financial institutions" of the Second Schedule to the Sindh Sales Tax on Services Act, 2011.

The Modaraba has filed an appeal before Commissioner (Appeals) and the decision in this respect is pending to date . As per the opinion of the tax advisor the management believes that the outcome of the appeal will be in favour of the Modaraba and hence no provision amounting to Rs. 12.238 million has been made in these condensed interim financial statements.

9.1.2 Federal Excise Duty on gross revenue receipts of the Modaraba

On March 11, 2016, assessment orders relating to tax years 2014 and 2015 were received from the Assistant Commissioner of Inland Revenue demanding a Federal Excise Duty (FED) aggregating to Rs 838.662 million (calculated @16% of gross receipts of the Modaraba for the above mentioned tax years) and the related default surcharge and applicable penalty. In response, an appeal was filed by the Modaraba with the Commissioner Inland Revenue – Appeals (CIR-A) on March 16, 2016. The Modaraba had paid an amount of Rs 50 million to the Federal Board of Revenue under protest in respect of the above.

In the opinion of the management, pursuant to the 18th amendment in the Constitution of Pakistan, the authority to collect sales tax has been delegated to the provinces. Accordingly, the Modaraba filed Constitutional Petitions with the Honourable Sindh High Court (SHC) in respect of which the SHC granted an interim injunction order to the Modaraba. The petitions were decided by the SHC on June 2, 2016 in which the SHC declared the levy of FED as 'ultra vires' with effect from July 1, 2011 and also quashed any duty recovered by the FBR.

However, in contradiction to the above mentioned judgment by the SHC, the CIR-A through orders dated June 03, 2016 upheld the levy of FED on the Modaraba and consequently directed the Modaraba to pay the alleged amount of FED along with default surcharge and penalty. In response, the Modaraba had filed appeals with the Honourable Appellate Tribunal Inland Revenue (ATIR) which is pending for hearing.

Subsequently, appeals have been filed in the Honourable Supreme Court of Pakistan by the counterparties aggrieved by the above mentioned order of SHC which is pending hearing.

In light of the judgment of the SHC and based on consultations with its tax advisors, the management believes that the outcome of the appeals with the ATIR and SHC will be in favour of the Modaraba. Accordingly, no provision in respect of FED has been made in these condensed interim financial statements. Further, the under protest payment of Rs 50 million made to the FBR has been shown as a refundable balance in note12 to these condensed interim financial statements.

During the current period, the hearing of ATIR was held on September 16, 2021. The order dated September 21, 2021 was passed by ATIR stating that "Under the light of the decision of SHC CP-3184/2014 in the favour of the Modaraba, it is concluded that both the orders for the charge years have already been quashed and set aside by the Honourable Court, therefore, there is no place for this forum for any further comments or action. Both appeals by appellant succeed.

As per the opinion of the tax advisor the management believes that the outcome of the appeal will be in favour of the Modaraba and hence no provision amounting to Rs. 838.662 million has been made in these condensed interim financial statements.

9.1.3 The Commissioner had demanded, through an assessment order no. 11/30 of 2019 dated April 26, 2019 and an order no. 01 of 2018 dated June 27, 2018, sales tax amounting to Rs. 21.47 million and Rs. 26.228 million in respect of disposal of ijarah asset during the year ended 2015 and 2014 respectively against disposal value of Rs. 126.28 million and Rs. 154.64 million respectively. The Modaraba had filed an appeal with Commissioner (Appeal) and paid ten percent of the demanded amounts. Against the order no. 01 of 2018, the hearing of the appeal was made on September 23, 2021. The appellate ordered under section 45B to pay the liable amount along with the default surcharge and penalty @ 5%. Against the order no. 11/30, hearing of the appeal was made on October 8, 2021. The authority ordered under section 45B of sales tax act, 1990 to pay the liable amount along with default surcharge @ 5%. The order of DCIR was received dated December 14, 2021 to pay the total ordered amount on or before December 21, 2021.

During the year ended June 30, 2021, the Modaraba further received notices for the tax years 2016 and 2017 demanding sales tax amounting to Rs. 48.77 million in respect of disposal of ijarah assets during the year ended 2016 and 2017 against aggregate disposal value of Rs. 286.88 million.

The appeal before the CIR (A) filed vide the letter DST 055 dated July 1, 2018 in respect of sales tax on disposal of ijarah assets. The matter was heard earlier and has been re-fixed for hearing on January 20, 2020. The appeal could not be heard due to the transfer of CIR (A).

The appeal on aforementioned matter was finalized vide Order No. OIR/Enforcement-1/S/2020/48/03 dated February 2, 2021 demanding sales tax of Rs. 48.769 million along with a penalty under section 33(5) of Rs 2.438 million. The Modaraba has submitted payment under protest of Rs.5.181 million (adjusted from income tax refundable) and filed an appeal against the above order before the ATIR.

The management, in consultation with its tax advisor, believes that the outcome of the appeal will be in their favour and, accordingly, no provision has been made in these condensed interim financial statements.

- 9.1.4 Deputy Commissioner Inland Revenue (CIR) issued an order D.C. no. 21/03 dated June 9, 2018 in respect of tax audit for the tax year 2012. The CIR demanded a tax amounting to Rs. 8.152 million against the profit on ijarah financing, gain on disposed of ijarah assets and the management fee. The Modaraba has filed an appeal with Commissioner Inland Revenue (Appeal) against the order. The Management, in consultation with the tax advisor, believes that the outcome of the appeal will be in favour of the Modaraba and ,accordingly, no provision has been made in these condensed interim financial statements.
- 9.1.5 The Additional Commissioner Inland Revenue (ACIR) issued an order DC No. 02/29 dated October 7, 2020. The order states that on the scrutiny of return and monthly / annual statements filed by the Modaraba for the tax year 2015 showed that the Modaraba has not deducted / partially deducted taxes from the payments against expenses made during the year. In the order, short deductions of tax were calculated by the department on the entire amount of the expenditures claimed in the return (Rs. 1.346 billion). The department demanded Rs. 232.830 million from the Modaraba along with the default surcharge u/s 205 of Rs. 41.910 million.

The Modaraba has filed an appeal against the order in the Sindh High Court and obtained a stay order on this matter. The appeal was heard on February 12, 2021 and later on May 4, 2021. However, order is still awaited. The management, based on its lawyer/tax advisor's view, is of the view that the appeal filed by the Modaraba will be adjudicated in favour of the Modaraba and, accordingly, no provision has been made in these condensed interim financial statements.

- 9.1.6 The Additional Commissioner Inland Revenue, through its order dated December 30, 2020 has amended the tax return filed by the Modaraba for the tax year 2018. The order was based on the following references:
 - The ACIR has rejected the tax exemption under clause 100 Part I of Second schedule to the Ordinance and imposed tax @ 30% on the income of Rs. 1.342 billion. The rejection is alleged on the premise that the amount transferred to statutory reserve is not as prescribed under the prudential regulations for Modarabas.
 - The Modaraba's tax deductions under section 148(1) of the Ordinance amounting to Rs. 40.93 million is treated as a tax under the final tax regime under section 148(7) of the Ordinance (and not as tax recoverable). This was based on the inference that income for this year is not exempt as the conditions were not met and as such tax collected under section 148 is alleged to be final tax.
 - Credit of taxes claimed for taxes paid / deducted aggregating to Rs. 142.66 million has been disallowed pending the provision of evidence.
 - After taking into account the above, taxable income of Rs. 1.342 billion has been assessed and income tax of Rs. 350.25 million has been demanded.

Appeals have been filed by the Modaraba before the tax authorities and an application has been filed with the Sindh High Court in this regard for a stay order. The CIR(A) vide it's appellate order dated May 25, 2021 issued under section 29 of the Ordinance has adjudicated on the Modaraba's appeal. The Modaraba has now filed an appeal on the adjudication before ATIR which is pending hearing . A stay has been granted by ATIR till August 21, 2021.

The management, based on the merits of the case and on the basis of its tax advisor's views, is confident that the above matter will be decided in favour of the Modaraba and hence no provision has been made in these condensed interim financial statements.
